The description (Disc.) by a title means it was bought with Discretionary Funding. Each subject is allocated its own funds at the beginning of the financial year in August. Book fund monies unspent at the end of May are transferred to the Discretionary Fund to ensure funds are spent or committed to purchases before the end of the financial year. The Fellow Librarian allocates this fund to support the purchase of expensive reference items or items relevant to more than one subject. Purchases by new Fellows are also given additional support to help develop their subject area.
