

CORPUS CHRISTI COLLEGE CHAPEL

Music List
Hilary Term 2024

The Chapel of Corpus Christi College, Oxford

The chapel has been a space for worship and prayer since the college's founding over five hundred years ago. It has a strong musical tradition, with a wide repertoire, and choral services have been sung in the chapel for centuries, forming a central part of music making within the college.

The current Chapel Choir is non-auditioned and consists of mixed voices, undergraduates and graduates, directed by the organ scholars. We hope you will find time to reflect, worship and sing with the choir amongst Oxford's busy everyday life.
