

## Trinity Term 2024 | Corpus Christi Chapel Services

*'I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another. By this everyone will know that you are my disciples, if you have love for one another.'*

John 13: 34-35

Welcome to Corpus Christi Chapel. Whether you are visiting or joining a service, for the first time or if you have been here often, may you find peace in this place.

The chapel has been a space for worship and prayer since the college's founding over five hundred years ago. The chapel is an inclusive space in which all are welcome, where we foster a sense of belonging, and where everyone can feel safe and valued.

It has a strong musical tradition, with a wide repertoire, with choral services forming a central part of music making within the college. The current Chapel Choir is non-auditioned and consists of mixed voices, undergraduates, graduates, and Fellows. Do please reach out to our Director of Music, Jonathan, or our Organ Scholars if you are interested in joining the choir.

If you would like to participate in services in another way (reading, setting up, etc.), have any question, would appreciate a conversation, or have ideas of what we could organise in Chapel, do please contact the Chaplain.
